Tena Koutou Katoa,

It's been a very short term for us here at Whangaroa College due to the weather events. The students have done a great job at fitting in all their learning with enthusiasm and resilience.

One of the highlights of the term has been the juniors taking part in demonstrating the school values in each of their subjects. They have been competing with each other, in their year groups, to see who gets the most points each day, totaled up at the end of each week. We will continue to add up the scores until the last day when it will be decided who will win time in the pool with yummy pizza as a reward.

As the term comes to a close, we will be celebrating the success of students. We will be holding a celebration assembly on the last day of term. Whanau teachers will be choosing four students in their whanau who have done an outstanding job of showing the school values this term. These students will be rewarded with a certificate and a prize!

Next term we will focus on all students wearing the correct uniform to school, to show pride in themselves and in being a part of Whangaroa College. As a reminder, the school uniform consists of a white polo shirt, black pants, skirt, or shorts, and a black jacket for the winter. The only hats allowed will be the WHC baseball caps. There will be no hoodies allowed from Term 2. If you need uniform support, please get in touch so that we can make sure we have enough items in the uniform swap cupboard.

I would like to take this opportunity, on behalf of all staff members, to wish you all a happy Easter break. We hope that all students and their whanau will stay safe and enjoy some well-earned time together. We look forward to seeing the students back on Monday 24th April.

Nga Mihi Nui,

## INTERIM REPORTS

**Interim Reports (Term 1) have been posted to your home address today. These reports detail your child's progress this term. Please let the school know if you have not received them by next week.**

## Dental Planet.

The Dental Planet mobile dental van will be coming to Whangaroa College at the beginning of next term. They will be seeing students in Years 9-13.

Enrolment Forms will be sent home and need to be returned asap. If you have already completed a dental enrolment form this year, you do not need to do another one. If you are unsure whether you completed one or not, please do fill out and return it.

# KAPA HAKA

Last weekend, the kapa haka roopu went to Waihapa marae for a wananga in preparation for Te Tokihi Ki Tua. Te Tokihi Ki Tua is a combination of Tai Tokearu Festival and the Secondary School Regional Kapa Haka competition, where the students from the Tai Tokerau region will be representing their schools.

Throughout the weekend, our roopu demonstrated multiple values that are important to Kapa Haka. They showed whanaungatanga when playing games and doing their chores together, rangatiratanga and kotahitanga when learning the waiata and actions together and staying disciplined and focused on the tasks at hand, and kaitiakitanga and manaakitanga, when looking after the marae and respecting one another. Thank you to all the whanau and staff who came and helped. We really appreciated it.

Nga Mihi.
