4157 State Highway 10, Kaeo PO Box 126, KAEO PH: 09 4050199 EMAIL: office@whc.school.nz

Kia ora koutou

We have four weeks remaining of the term and Semester One.

Senior students are working hard to complete their assessments by the end of the term. Currently, Ms. Davidson is holding academic counseling sessions with all senior students to discuss their Semester Two options and look at how they are tracking in achieving at their set NCEA level.

Over the next few weeks, whanau teachers will be continuing academic counseling with the Junior students and reflecting on how successful their semester has been. They will be collecting evidence from their classes and putting together their portfolio.

These conversations are essential, as all students will lead out in our PST (parent/student/ teacher conferences) and share their portfolios and learning this year.

PSTs will be held over two days at the end of term, the 7th and 8th of July. Notices to book appointments will be sent home by next week. Any questions, please contact the office.

WHERE: Kerikeri Rugby Club

WHEN: Matariki Friday 24 June

TIME: 9.00am - 11.30am

COME ALONG AND
SEE THE TEAM!

ALL BLACKS

JUNIOR TECH HAND TOOLS

This term, our Junior School have been doing Hard Materials as part of the Technology learning cycle.

The Year 7 to 10 students have become familiar with hand tool use, care and maintenance through mini projects that develop their skills. Hammers, hand drills, screwdrivers, chisels and finishing techniques have been a weekly feature and students have created String Art, Keyholders and Gumboot stands.

It is music to the ears to hear the workshop humming and students helping each other complete their tasks.

PRIMARY POD

Since March, the Senior Primary Pod students have been spending one afternoon a week at Nairi's Community Nursery, Matauri Bay. This has given the students a great opportunity to practice the production horticulture skills they have been learning at school, as well as learning new skills especially related to growing native plants to replenish the vegetation of the ngahere and awa. Many thanks go to Tony Fiske, Anahera Pomare and other members of the Community garden for sharing their time and skills.

STUDENTS of the WEEK
